

One Prayer At A Time

Seems the list keep getting longer of needs to be met
I keep on praying, still there's no answer yet
It's the same things I've been asking since years and years gone by
But He's proven Himself faithful to give me His reply

One prayer at a time He answers me just when hope seems gone
In that moment He proves to me He's been listening all along
So I stay down on my knees, begging Lord please,
Would You hear this plea of mine
He keeps sending answers one prayer at a time

Sometimes I feel like praying's hopeless
Just like wishes that don't come true
But then my Savior answers something
I haven't asked in a day or two
Maybe it is just a simple request or a mountain to be moved
Either way it just lets me know there is nothing He can't do
