Lord, I'm sorry, I'm ashamed  
I'm so lost, I'm so afraid  
Is there anything good left in me  
Does anyone still have faith in me  
Or am I seen just as a fool  
Where did I go wrong, Oh Jesus  
Where do I belong

I need You

Could you help me from this pain I'm going through  
Like only You can do  
Is it true  
Can You heal a heart that's been broke right in two  
Lord, I can't afford to lose  
I can't even see where I'm needing to be  
But I heard You make all things new  
I need You

A heart can only take so much  
I'm reaching out for just one touch from You  
Sweet Jesus  
You gave me life, You formed my soul  
The only one that can make me whole is You
