

More Than A Good Man

Verse 1

Questions are rising about the deity of Christ
But if you were to ask me, I wouldn't even think twice
Cause I talked to Him this morning, and I know who He is
I can't explain it all but I can tell you this

Chorus

He is more than a good man not just a prophet or a saint
More than a carpenter just look at what He's made
He's not some fairytale, He's not crazy or a fraud
He is more than a good man He's the Son of God

Verse 2

It might not mean much, coming from someone like me
So you might just think about finding out personally
I'll just be honest I have doubted as well
But you can't know for sure until you've met Him yourself

Bridge

What's this world afraid of if its all just some hoax
They wouldn't try to trash His name if deep down they didn't know
