How did You let them put the nails in Your hands  
Just let them put a crown of thorns on Your head  
Just to save me, Just to save me  
With the crowd crying crucify You stood so humbly  
With the cross upon Your back You climbed the hill to Calvary  
Just to save me, Just to save me

Just to save me You came as the one that You created  
'Cause our greatest need is an eternal One  
It's not about what we can gain in this life  
What a sacrifice, You gave Your life  
Just to save me

I don't know how it felt to look up in the sky  
See Your Father turn His back and You're left to ask, "Why"  
Just to save me, Oh, just to save me  
Did Mary ever want to beg you not to go (Please don't go)  
Scream up at the sky, God don't you know that's my baby  
That's my baby
