It might seem my Christian home is a little out of date  
'Cause we still fear the Name of God and sing "Amazing Grace"  
It feels so good on Sunday when the Holy Ghost comes down  
I load up my whole family and that's where we are found  
These things the world don't understand and they'd like to shut us up  
I say we just take a stand, in Jesus name we trust

Gates of hell will not prevail, 'cause under God we stand  
The church is built upon a Rock, placed by nail pierced hands  
We can't look to the left or right, we gotta keep our eyes above  
Satan get behind me 'cause in Jesus name we trust

Some folks read the paper just to get to the horoscope  
They're worried about tomorrow and what they're future holds  
I don't need no psychic to read the palm of my hand  
'Cause there ain't no lines and wrinkles gonna take me to the Promise Land  
There's only one way to Heaven, you gotta go through the blood  
So get up church let's take a stand, in Jesus name we trust
